DECLARATION OF MARA K. FEATHERSTONE

I, MARA K. FEATHERSTONE, declare the following:

1. I am an attorney at Steel Rives, LLP assisting American Polymer with U.S. Patent Application Serial No. 10/007,143. I have made diligent efforts to locate the non-signing inventor in this application, David Dobney.

2. On November 4, 2002, I conducted an internet search for David Dobney anywhere in the United States. A copy of the results of this search are enclosed as Exhibit A. The search identified David Dobney in Marysville, Michigan with a phone number of (810) 364-5106. I left a message at this number inquiring whether the David Dobney listed at this phone number was involved in a patent application for Methods for Protecting Substrates from Graffiti and For Removing Graffiti. Mr. Dobney of Michigan returned the call and stated that he had no involvement with this invention. I was unable to identify any other listings for David Dobney.

3. On the same day, I conducted a search for any person in the State of Utah with the last name of Dobney. A copy of the results of this search are enclosed as Exhibit B. The search

identified Davin Dobney at 6926 Well Spring Road, Midvale, Utah 84047 with a phone number of (801) 566-9597. This number has been disconnected. On November 9, 2002, I mailed a letter to the address identified for Davin Dobney requesting assistance in locating David Dobney. A copy of the letter is enclosed as Exhibit C. No communication has been received in response to this letter.

4. I also conducted a search for D. Dobney, which identified several Dobneys with first names other than David. A copy of this search is enclosed as Exhibit C. The search identified two listings for D. Dobney, one in Kansas City, Missouri with a phone number of (816) 734-0292 and another in Portland Oregon with a phone number of (503) 667-3959. A copy of the results of this search are enclosed as Exhibit D. The number for Kansas City, (816) 734-0292 has been disconnected and the number in Portland Oregon, (503) 667-3959, rings to an individual by another name.

5. On November 14, 2002, I searched for an internet address under the name of David Dobney and D. Dobney. One email address was listed under D. Dobney, \_\_peace@excite.com. On November 14, 2002 I sent an email inquiry to this address which was returned to me by the mail program at xprdmailbe45.nwk.excite.com. The return email stated that the mailbox is over the allowed size. Copies of the internet email search and email communications identified above are enclosed as Exhibit E.

6. I believe the above-stated actions constitute diligent efforts to locate David Dobney, the non-signing inventor in U.S. Patent Application Serial No. 10/007,143.

7. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so

made are punishable by fine or imprisonment, or both, under section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

DATED this 15 day of November, 2002.
